Its not in the wrong account. It didn't show up on the government payment report because you have May's report and June's (Payment received 6/9/16) will come out in July.

Thank you.

So is Maria researching this to see if it may have gone into the wrong account?

Miranda,

According to Maria, the Harbor Dept paid all of their 2015/16 assessments for a total of \$224,371.32 on 6/6/16.

I don't know why the payment isn't showing on the Govt. Payment Report yet.

Thanks
